

**NON-HAZARDOUS SUBSTANCE CERTIFICATE**

**TO: GARDNER DENVER, Fishers, IN**

**DATE:**

**ATTN: Greg Spannan**

**FAX #: 317-842-9969**

**GARDNER DENVER** is in compliance with the OSHA Regulations on Hazardous Communication (29 CFR 1910.1200). Gardner Denver therefore, requires that all machines being returned to this plant for evaluation and /or service and repair **MUST** be received free of ANY hazardous substances.

A completed copy of this "Non-hazardous Substance Certificate" or a customers document DECLARING the blower to be **FREE** of any Hazardous material, **MUST** accompany the blower (s). Our personnel will not begin disassembly without receipt of the properly signed documentation.

**UNIT MODEL # \_\_\_\_\_ SERIAL # \_\_\_\_\_**

**CLAIM / RETURN AUTHORIZATION # \_\_\_\_\_**

1.  The undersigned **CERTIFIES** that the identified blower(s) has not processed or otherwise been exposed to any substance which constitutes a Health Hazard, as defined by OSHA Regulation 29 CFR 1910.1200.
2.  The undersigned **CERTIFIES** that the identified blower(s) has processed or came in contact with Hazardous material, and the blower has been through a cleaning process that has rendered the blower clean and free of any Health Hazardous material.

*If #2 is checked, describe what the machine is used for and the material that may have been introduced into the machine.*
